State of the PD News Conference

CHEYENNE, Wyo.— Chief Brian Kozak of the Cheyenne Police Department will be giving a presentation on the state of the police department during a news conference on Feb. 9 at 6 p.m. at the Cheyenne Police Department.

The 2014 annual report will be covered in detail along with other crime and community focused data.

Kozak will present the statistics of the Cheyenne Police Department and compare it with other benchmark cities around the nation. He will also cover the department's previous and current goals.

The presentation is a great opportunity to get a snapshot of the community from last year and see the results of the hard work that is being put forth by the department. "I am very proud of the dedicated service the professional women and men put forth to achieve our agency goals", said Kozak.

The presentation is open to the public.
