## **UPDATE: Cheyenne Public Safety Center**

CHEYENNE, Wyo.— The building of the new Cheyenne Public Safety Center located at 415 W. 18<sup>th</sup> St. is seven months into the project and within budget.

The building project, which officially started with a “ground breaking” ceremony on Aug. 26, 2014, is well under way and is projected to be completed by February 2016.

The construction is progressing forward and is well within the budget that has been allocated to create and build the new center.

The required extensive subsurface upgrades are very nearly complete and the project is now moving into erecting the structural steel.

A live feed of the construction project can be viewed through the Cheyenne Police Department website at <http://www.cheyennepd.org/CPSC>.

The new 6th penny project will be home to the Cheyenne Police Department, Cheyenne Fire & Rescue Administration, an Emergency Operations Center and the Laramie County Combined Communications Center.
