Cheyenne Public Safety Center

CHEYENNE, Wyo.— A “topping out” ceremony will be held at the Cheyenne Public Safety Center located in the 1700 block of Thomas Ave. on Wednesday May 6 at 2 p.m. to mark the finish of the new building’s structural steel installation.

The ceremony will include placement of the last beam of structural steel into position on top of the building.

The signed steel beam will be raised by a crane from the street and bolted in position where it will become a permanent piece of history.

All members of the community are invited to the ceremony.
