## **First Responder Exercise to be Conducted at Airport**

CHEYENNE, Wyo.— The Cheyenne Police Department will be participating in an exercise at the Cheyenne Regional Airport on Tuesday, Oct 6, from 7-9 a.m.

The first responder exercise will take place at the terminal building and will include local law enforcement, medical, Wyoming Air National Guard and airport personnel.

The exercise allows various agencies to practice a joint response to a given scenario. The after action review of the training will then help first responders better prepare to respond to emergency situations.

Members of the media are welcome to attend the exercise.
