Citizens Police Academy Registration Now Open

CHEYENNE, Wyo.— The Cheyenne Police Department will be hosting a free eleven-week Citizens Police Academy that starts on Feb. 1 at the Cheyenne Public Safety Center.

The academy is designed to inform and educate participants in all aspects of law enforcement and include predominately “hands-on” training sessions.

The academy is open to the public and will begin on Feb. 1 and finish on April 12. The classes will be held on Wednesday evenings from 6 to 9 p.m. There will also be two Saturday field classes conducted for firearms and crime scene investigation training.

The curriculum will include training and applications of constitutional law, criminal investigations, narcotics, as well as crime scene processing. Additionally, students will learn actively about defensive tactics, traffic enforcement, building searches and firearms familiarization. Several practical exercises will be conducted so students can actually perform many elements of everyday law enforcement.

Applicants must be at least 18 years old, agree to a background investigation, have a valid driver’s license and complete a waiver of liability. Citizens may apply online by going to <http://www.cheyennepd.org/CPA>.

Space is limited to 30 valid applicants. For information, contact Officer Kevin Malatesta at 633-6653 or kmalatesta@cheynepd.org
